iUniverse, United States, 2010. Paperback. Condition: New. Language: English. Brand new Book. Having heaven's perspective while walking on the earth seems like the impossible dream to most of us. But by understanding the life of Jesus Christ and His finished work, we can learn how to see all things from heaven's viewpoint. Seeing from Heaven focuses on understanding heaven's perspective by seeing through the eyes of God our Father who is in heaven. We being seated with Him provides us the opportunity to see as He sees-being in Christ and seeing through His eyes. How does seeing from heaven affect everyday circumstances and everyday life? Though in the world, Jesus was not of this world. Our citizenship is in heaven even while we dwell on the earth. Taking a closer look at Jesus will always open a heavenly view to us. Our beliefs should only draw us closer to God, and see Him more clearly so we might freely partake of His life. Then it is with that impression of His life in us that we live and move and have our being. Seeing from Heaven presents a detailed, biblical examination of this way of living and encourages us all to live through God's eyes.
