

Preparing for International Health Experiences: A Practical Guide (Paperback)

By -

Taylor & Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English. Brand new Book. At some point in their careers, many health professionals and students wish to engage in overseas work. Learning from other systems, people and cultures is invaluable and in some cases life changing. This book is a unique resource that offers necessary insights into making the most of the experience, from pre-departure training through to return orientation. It provides information on navigating the legalities and bureaucracies of international medical training and gives insights into cultural and language competencies, including how to be ethical and deferential in the exchange of situational knowledge. Preparing for International Health Experiences is a must-read for any healthcare student considering volunteering, doing mission or practical work abroad. It covers specific medical professions from paediatrics to surgery, and allied disciplines such as dentistry and nursing. Its practical tips and consideration of ethical issues will be valued by readers of different levels and experience.

Reviews

Merely no words to explain. I really could comprehend everything out of this published e book. I found out this publication from my dad and i suggested this publication to learn.

-- Prof. Margarita Ledner PhD

This written pdf is fantastic. It normally is not going to expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Gilbert Stroman
